Virtual E or PubEasy?

As a Virtual E subscriber you can:

- **Place** and track orders
- **Search** for products and check price & availability
- **Browse** the Preview, New Books Bulletin and other catalogues
- **Access** promotions

All you need is an account number to register at virtuale.elsevier.com

Did you know you can also order Elsevier titles via PubEasy?

As a registered PubEasy user you can:

- **Place** orders with all publishers, distributors and wholesalers registered with PubEasy (including Elsevier) using a single sign-on
- **Search** for products and check price & availability
- **Track** orders, including Elsevier orders, not placed via PubEasy
- **Gain** 24/7 free access to the PubEasy website

Register at www.PubEasy.com

Accelerate sales by highlighting the free additional content on StudentConsult.com

Combining Elsevier's world-class book content with Inking's rich media, search function and social features, Student Consult is one of the most efficient tools available for students today, allowing them to...

- ...download texts to multiple devices, and access them both online and offline.
- ...access embedded multimedia content including quizzes, podcasts and videos.
- ...sync notes and highlights across devices, and share them over social media.
- ...browse across all owned titles using a powerful search and intuitive navigation.
